

## Brulla Chair

### Miniforms

Inspired by 20th-century Austrian chairs, Brulla is a stackable wooden seat. Its defining aesthetic is given by the juxtaposition of curves and straight lines, creating a strong sense of identity and minimalist spirit: the dynamic momentum of the backrest and back legs meets a slightly tilted cane-webbed seat, balanced harmoniously by the front legs. Thus, its retro taste combines with the distinctive profile of the legs, which, together with other discreet details, enrich Brulla with contemporary codes.
