

Bastien Planter Console

Remy-Woodcock

The Bastien collection, by Gregory Remy, is inspired by minimalist architecture with this seamless monolithic curved steel frame that characterises it. The console variant works in all situations, they are the perfect space divider, allowing for light, views and fresh air to move freely around them. It emphasises on the importance of integrating plants indoors, to help with air quality and wellbeing. It's architectural frame complimented with plants and your choice of finishes, makes it a great addition to any space. This product made to order in Australia.
