

Derby Chair 2601

Cizeta

Derby is a collection of ash wood seating, featuring clear stylistic references to the work of the Scandinavian masters of the fifties and sixties with their clean, elegant lines. The structure is in solid ash, in its natural colour or with open-pore staining, while the seat and back are made of curved plywood. Completing the range are versions with a seat panel upholstered in fabric or leather.

Technical Specifications

Designer:	ROBERTO ROMANELLO
Lead Time:	Indent (14-16 Weeks)
Sectors:	Hospitality, Residential
Suitability:	Indoor
Dimensions:	Height: 76cm Length: 50cm Width: 52cm Seat Height: 47cm
Application:	Hospitality, Residential
