

Reva Cocoon Modular Sofa

Pedrali

Reva Cocoon is a system of lounge seats for outdoor use ensuring ultimate freedom of use, highly adaptable and configurable in a variety of ways to ensure maximum comfort and personalisation. The line stands out for its striking backrests in stainless steel woven with rope in weather-resistant polypropylene, for a truly natural appearance. The cord element, made 100% in Italy by expert craftsmen, offers vital privacy, while keeping the piece of furniture airy and bright using a thicker weave in the lower part and a looser one in the upper section. A sofa made up of two corner elements with high backrests defined by a double curvature embracing the perimeter frame in extruded aluminium, at the ends of which stand four tapered legs in die-cast aluminium. The feeling of envelopment is enhanced by the soft cushions that rest on the structure: seat cushions are made in polyurethane foam and backrest cushions in polyester, wrapped in fully waterproof lining and covered in outdoor fabric.

Technical Specifications

Designer:	Patrick Jouin
Lead Time:	Indent (14-16 Weeks)
Sectors:	Accommodation, Residential
Suitability:	Outdoor
Warranty:	2 years
Application:	Accommodation, Residential
