

Nemea 2825 Armchair

Pedrali

Nemea is a collection of classically-shaped seatings, whose visible, light structural elements seem to be smoothed by time, like findings from the Ancient Greece. The armchair seems to extend into an athletic pose, with its sinuous legs in solid ash grafted to the die-casted aluminium frame placed under the plywood seat. The embracing, comfortable backrest with armrests crowns the seat and allows to lean it on the table. Available in bleached ashwood, ruby red, cognac and black colour stained. The die-casted aluminium frame placed under the plywood seat only comes in black powder coat and powder-coated in matching colour for RB version only.
