Alpha Armchair

Cizeta

After studying the Shaker style and their values of simplicity, utility and honesty that are reflected in their furnishings, Matteo Cibic reinterprets and advances this style with a contemporary flair. The Alpha chair and small armchair feature an exceptional elegance, a simple beauty, an almost spiritual grace. The distinctive aspects include wood and the warmth it adds, the proportions, a level of comfort indispensable in chairs, and matching fabrics, weavings and leather. The effective combination of traditional materials is fundamental in this design world guided by the idea that beauty lies in an object's usefulness.
