

Santiago 244 Electric Recliner

TON

A high level of comfort, quality workmanship and pleasing design – this stylish electric recliner will be appreciated in both professional and home settings. The footrest and headrest tilt independently, even with the recliner in use, and the fully retractable wooden armrests make it possible to transfer an individual with ease. The height-adjustable headrest and ergonomically shaped upholstery ensure hours of seated comfort, and the sturdy rear handrail and lockable swivel wheels facilitate safe movement. The recliner includes a removable tray table and practical side pockets.
