

Santiago 238 Table

TON

A square or rectangular dining table with a clean design and well-considered details. The absence of a table apron makes it easy to pair the table with chairs with armrests or with standard wheelchairs. The bottom of the tabletop has a groove on each side to assist diners in pushing themselves back and/or rising from the table. The decorative print on the tabletop creates a homelike feel and avoids the need for a tablecloth, which can complicate rising as well as movement around a table.
