

Botera Sofa

Miniforms

Botera is all about comfort, anytime, anywhere. In order to better harness the volumes of the armchair in all situations, we transformed it into a whole family of modular upholstered components, thus multiplying its seating possibilities. To relax, nod off or just put your feet up, all modules share a squishy seat in different lengths, forming a sofa, a pouf or an armchair. These eclectic modules are conceived for spaces that change. From the exuberance of the sofa to the casual ease of the pouf, these modules expand into their space in long compositions or contract to fill cosy nooks.
