

T40 Task Chair

JRF

T40 is a high performance premium quality task chair designated for your body type and ergonomically designed to support your neck and back and straighten your body posture. Its wide range of specification allows you to place the chair in any space, to serve any purpose while experiencing all the necessary functions you need while seated. The recessed form of the seat frame and the backing of the mesh material provide ergonomic and comfortable seating in various postures, easily adjustable by the tilt adjustment lever.
