

Easy Chair

Manerba

Easy chair is a chair that is “easy” and flexible, conceived to be adaptable to the needs of ever changing spaces, such as restaurants, meeting and conference rooms and much more. The upholstered chair is comfortable and elegant, with an embracing backrest, in resistant birch plywood curved or upholstered as the seat with compact dimensions. The metal framework has two opposite nuances: black matte and light grey, ready to accomodate several shades of fabrics. The birch backrest is available in three finishes: natural, walnut or black painted. Designed by Federica Biasi.
