

P.O.V Table 460

TON

The P.O.V. collection features a modular design and an organically shaped table base. While it may look discreet, this P.O.V. table has the potential to command a room – it all depends on your point of view. The simple base has a rounded triangular shape and is 73 cm high and 35 cm wide. The base can be paired with tabletops in three varieties of shape and size; circle, square, spheric square.
