

## P.O.V Table 463

TON

The P.O.V. collection features a modular design and an organically shaped table base. While it may look discreet, this P.O.V. table has the potential to command a room – it all depends on your point of view. The simple base has a rounded triangular shape and is 104 cm high and 52 cm wide. The base can be paired with tabletops in three shapes and four sizes.
