

P.O.V Table 466

TON

The P.O.V. collection features a modular design and an organically shaped table base. While it may look discreet, this P.O.V. table has the potential to command a room – it all depends on your point of view. At 73 cm high, 40 cm wide, and 172.5 cm long, the elongated central base provides complete stability and support for a large tabletop. This version can be paired with three different tabletop shapes.
