

Fable Outdoor Chair

Didier

Didier's original Fable Oak collection was conceived as a contemporary homage to cottage crafts, defined by the evocative warmth of solid oak. In an inspired retelling of this first collection, the Fable Outside range is carefully reimagined for the great outdoors. Resilient aluminium, hardy stainless steel and sand cast forms are expertly crafted by hand and machine, to ensure that each piece faithfully retains the pleasing proportions and personality of the initial range. Simple yet distinct, with the precise proportions of its original oak predecessor, Fable Outside's classic chair cuts a fine figure at any table setting. With a complete family of chairs, stools, bar and dining tables available in confident powder-coated hues, bring sophisticated simplicity to your world with Fable.
