

Terra Firma Table

Didier

Celebrating the solid simplicity of masterfully honed timber, Terra Firm's standard height table comes in four optional sizes to seat between 6 to 12 people. Terra Firm Tables evoke memories of the archetypal refectory table but with a structural tapered form that creates natural trapeziums to the floor. Manufactured in Oak timber these tables are versatile, solid, visually light and highly functional where the crafted engineering allows for flat pack and ease off on-site assembly with a simple hand tool. Materials: American Oak. Colours: Natural Oak timber with other stain colours by project request.

Technical Specifications

Designer:	Ross Didier
Lead Time:	Manufactured (6-8 Weeks)
Sectors:	Hospitality, Workplace
Application:	Hospitality, Workplace
Notes:	198x105, 258x105, 318x105, 360x105,
