

## Tiller Lounge Chair

Didier

With trapezoidal legs elegantly tapered toward the seat, recline in confident, leisurely style with the Tiller Oak Lounge Chair. An ode to bucolic scenes of industrial machinery in the natural world, Tiller Oak's soft angular forms reference historic tilling ploughs of old. Designed to place master craftsmanship at the fore with expertly concealed joins, precision-moulded veneers and custom upholstery, every little detail in the range invites a closer look. Complete with customisable chairs, bar stools and lounge seats, Tiller Oak pieces are characterised by fluid timber frames in solid clear Oak. Made to complement Didier's Terra Firma tables, each Tiller Oak chair is a contemporary classic with heritage roots.

## Technical Specifications
